TO CHOOSE JA MANAFARU

The Real Maldives

MANAFARU
MALDIVES

A True Sense of Escape

1 It is the most Northerly secluded private Island in the Maldives. Its remote location with unparalleled infinite views of the ocean paired with absolute serenity, grants guests a true sense of escape.

Natural Lush Greenery

2 Cradled by lush greenery with towering Palms and age-old Banyan trees, JA Manafaru is a true paradise on Earth. With lush green canopies enveloping all corners of the island, it is as close to the untouched Maldives as it gets.

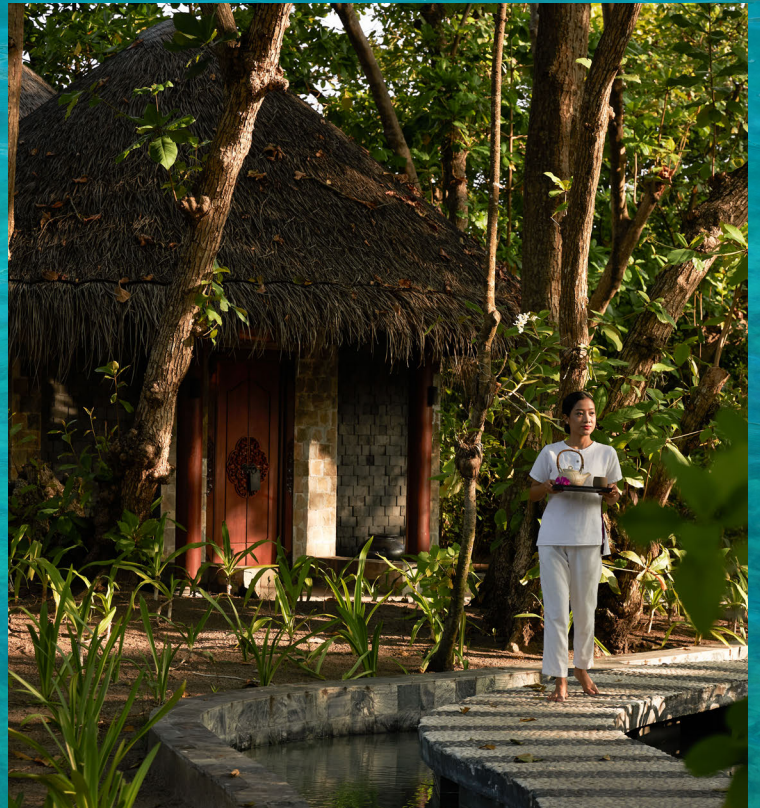

Absolute Privacy

3 JA Manafaru offers a luxurious choice of contemporary villas both over water and on the beach - all with their own private pool. Our Beach and Island Residences also feature 2 private pools for the guests' comfort and recreation. The beach villas are encapsulated amongst the greenery of the island, and the over water villas look out onto the open ocean, giving you real privacy and serenity.

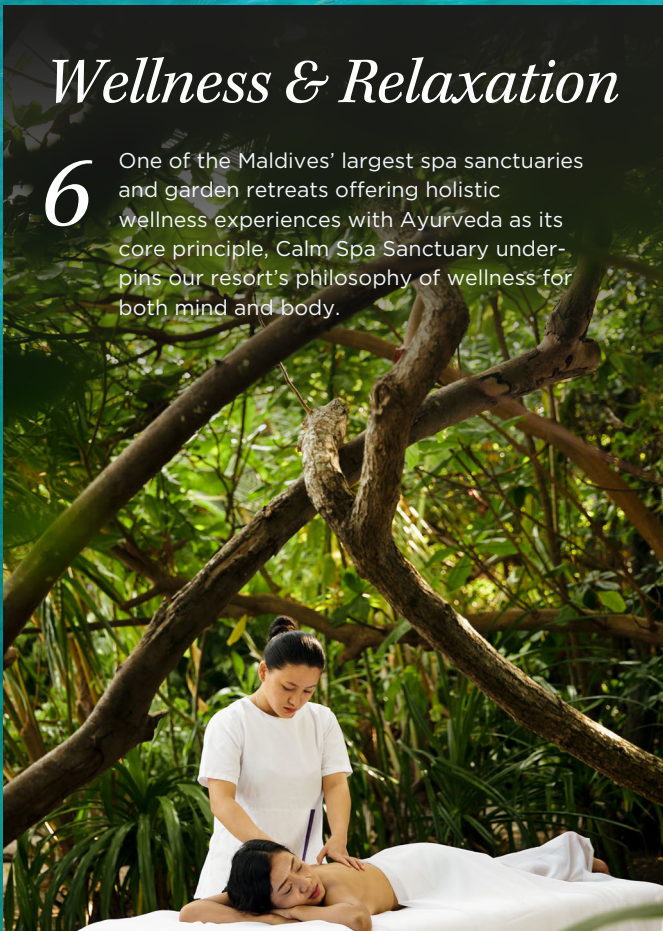

Unique Culinary Journey

4 The resort offers a culinary journey within seven unique venues. For a hearty start to the day, enjoy a healthy breakfast at **Kakuni**. For poolside leisurely lounging, **Andiamo Bistro and Pool** offers Mediterranean-Italian flavours. Whether you're indulging under the stars at **Ocean Grill**, dining in the Maldives' first and deepest subterranean wine cave, **The Cellar** or sunset viewing over afternoon tea and sundowners at **White Orchid Lounge**, you'll definitely be spoiled for choice throughout your stay.

Wellness & Relaxation

6 One of the Maldives' largest spa sanctuaries and garden retreats offering holistic wellness experiences with Ayurveda as its core principle, Calm Spa Sanctuary underpins our resort's philosophy of wellness for both mind and body.

Preservation of Culture & History

5 Long before the inception of JA Manafaru, this was an island housing a local community, as evident from the artifacts found within its grounds. This display at the resort's cultural awareness centre; 'Mag-ey-Hiyaa, offers guests the opportunity to understand the traditional Maldivian way of life, and the destination's rich history and culture. We are one of the very few resorts to be found within this historical and cultural atoll.

Caring for the Natural Beauty of the Island

7 Conservation of the island and its environment is amongst our many focuses as part of our sustainability and CSR pillars. Blessed by flourishing flora and fauna on the island, the resort is an active participant in Parley AIR; avoiding plastic wherever possible and intercepting plastic waste. Additionally, a Coral Regeneration Program is in place to protect, restore, and regrow the coral reefs around the island. To learn more about the abundance of marine life around the atoll and the importance of coral reef regeneration, guests are invited to visit Seatopia, resort's Marine & Environmental Awareness lounge.

Destination Dining Experiences

8 JA Manafaru offers a variety of unique dining experiences on and around the island. Whether you're looking for a picnic by the beach, an intimate dinner under majestic Banyan trees at the heart of the island, a castaway adventure to a neighboring island, or a cozy tropical nook all to yourself, our team is sure to design an experience for capturing memorable moments.

Learn Authentic Maldivian Traditions

9 Dive into Maldivian culture and traditions through a variety of unique activities at JA Manafaru. Experience an Ancestral Dinner on a deserted island, just a boat ride away, learn traditional Maldivian recipes during a cooking class led by our Maldivian Executive Chef and his team or explore the history of the archipelago during a storytelling session under the stars.

Soulful blessings and honeymoons

10 JA Manafaru, with its soft sand beaches and crystal-clear waters surrounding the remote private island, is an idyllic setting for people from all over the world to reaffirm their love for each other. Be it honeymooners who wish to mark the moment, renew vows, or honour each other with an Island Elder's blessing, celebrate love at the most enchanted of destinations.

Family recreational activities

11 JA Manafaru offers a recreational space for families where they can unwind and entertain younger children from 3-5 years old, featuring an indoor climbing frame, outdoor playground, playroom, and children's pool. Additionally, the resort offers the Recreation Pavilion with a movie room, board games area, and library corner where families can spend their time together.

Service from the Heart

12 With heartfelt hospitality and attention to detail, our team aims to nourish our guests with genuine care and personal gestures. Whilst our guests may have arrived into our soulful sanctuary as strangers, we want them to depart as friends. Most of our Associates have dedicated their life to hospitality and towards providing exceptional service. Amongst our team, many members have been working with the resort since opening. As part of the resort's community outreach and to nurture local talents by employing locally first, most of our Associates hail from neighbouring local islands.
